CAUSED VUUVXG XZFHVW EFFECT

When you say that you've been working for a decade, it kinda sounds like a lot, especially when you feel like you've just begun. And so you wonder - where am I, what am I doing, why, and how's it going? Introspection. Then you wonder where you were heading in the first place and whether or not you still want to go down that road. You try to contextualize things and thus explain the sporadic and intentional events, the good decisions and oversights that made you into what you are today. Or what you think you are, at least. You articulate. Calculate. You try to envision what's next, and you wonder whether a future You would be satisfied with what you've been doing. In the end, you weather the storm and continue where you left off. Because how can you stop after getting this far?

The PDP Conference gathers designers, illustrators, photographers, and visual artists with the goal of enabling young designers and students to further improve in different areas of design. In an inclusive, unpretentious atmosphere, the conference offers visitors and participants the chance to network with their regional colleagues as well as established professionals from varying fields within the creative industry.

CAUSED VUUVXG XZFHVW EFFECT

Mnogo zvuči kada kažeš decenija rada, posebno kad nekako znaš da si tek sad počeo. Pa se onda pitaš gde si, šta radiš, zašto i kako ide. Introspekcija. Zatim se pitaš kuda si ti uopšte krenuo i da li i dalje tamo hoćeš da odeš. Pokušavaš da smestiš sve u neki kontekst i da tako objasniš ceo sistem uzročno/posledičnih veza, sporadičnih i namernih događaja, dobrih odluka i propusta koji su te učinili time što danas jesi. Ili što misliš da jesi. Artikulišeš. Kalkulišeš. Pokušavaš da zamisliš šta je sledeće, da se projektuješ u nekog budućeg Tebe i pitaš ga da li je zadovoljan. I na kraju sačekas da sve to jednostavno prođe i da sutra nastaviš tamo gde si krenuo prekjuče, jer kako sad da staneš kad si već toliko odmakao.

PDP konferencija kreativnih medija okuplja dizajnere, ilustratore, fotografe i druge vizuelne umetnike sa ciljem da edukuje publiku u oblastima kreativnih medija, kao i da putem konkursa promoviše rad studenata i mladih autora. U inkluzivnoj, nepretencioznoj atmosferi, pruža priliku posetiocima i učesnicima da se umrežavaju sa kolegama iz Srbije i regiona, kao i sa profesionalcima iz raznih disciplina u okviru kreativnih industrija.

U čast jubileja, pozvali smo predavače, mentore radionica, autore izložbi i sve one koji su svojim učešćem obeležili prethodnu deceniju, kao i one koji su nam još uvek na listi želja, da svojim radom učestvuju na ALLSTARS izložbi rizografije.

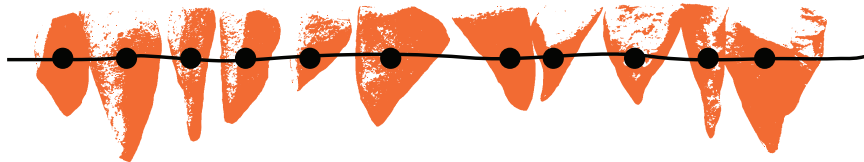

In honor of the jubilee, we have invited lecturers, authors, workshop facilitators and all those who have marked the previous decade with their contribution, but also the ones who are still on our "wish list", to participate in ALLSTARS risography exhibition.
