13th International Symposium on
Graphic Engineering and Design
12–14 November 2026.

13th International Symposium on Graphic Engineering and Design

Author statements

I confirm that I have reviewed and complied with the relevant Instructions to Authors and the Authors' Responsibilities defined in the Editorial Policy. I am also aware of the publisher's retraction policy.

For further information see <http://www.grid.uns.ac.rs/symposium/pocetna.html>

- The Article I have submitted to the GRID26 symposium is original, has been written by the stated authors and has not been published elsewhere.
- The Article was not submitted for review to another journal/symposium and will not be submitted to any other journal/symposium while under review by this symposium.
- I have given final approval of the submitted manuscript.
- The Article contains no libelous or other unlawful statements and does not contain any materials that violate any personal or proprietary rights of any other person or entity.
- The authors of the Article hold no conflict of interest that may affect the integrity of the Article and the validity of the findings presented in it.
- I/we have obtained written permission from copyright owners for any excerpts from copyrighted works that are included and have credited the sources in the Article.
- If I am using any personal details or images of research subjects or other individuals, I have obtained all consents required by applicable law and complied with the publisher's policies relating to the use of such images or personal information.
- I have informed the co-author(s) of the terms of this Author Statement and that I am signing on their behalf as their agent, and I am authorized to do so.
